City of Findlay

- Sidewalk Permit for outdoor dining - <https://www.findlayohio.com/home/showdocument?id=2634>
- Mayor Muryn is currently working with the Alliance to analyze potential locations in Downtown Findlay to designate for outdoor eating. The Mayor had requested that individual restaurants that would like additional outdoor seating submit a proposal on their application for what would work best for their area. The City recommends talking to neighboring businesses that may not be open in the evenings to look at extending seating into their areas. Additionally, businesses need to understand the restrictions on their liquor licenses and the barriers needed to be able to serve outside.
